Invitation: Refugee Assistance Forum

5th Open Forum on

Friday 30th August 2019

From 2 – 8 p.m. (approx.)

Kulturfabrik KAMPNAGEL, Jarrestrasse 20, 22303 Hamburg-Winterhude

We are celebrating our anniversary! On 30th August 2019, the Refugee Assistance Forum will take place for the 5th year running. Everyone is invited to join in at Kampnagel: volunteers, people with a refugee background, institutional players and interested parties.

Our motto for 2019 is:

“Us in Hamburg! Next door and in the thick of it!”

Hamburg’s Senator for Social Affairs Dr Melanie Leonhard will open the Forum at 2:30 p.m. “What do we need to stick together?” will be one of the questions for the plenum. Information and networking are the focus of the “Institutional Player’s Market”: a number of full-time and voluntary participants will present their involvement and projects. We will discuss current issues of participation and refugee application in group discussions with various formats. And we will use the 5th forum as an opportunity to reflect and focus on dedicated people, refugees, volunteers and full-time employees.

Join us! Make the most of the opportunity to meet, learn and exchange ideas. The Refugee Assistance Forum is free of charge and open to everyone.

You will find the very latest complete programme at:

www.hamburg.de/forum-fluechtlingshilfe.

Would you like your own stand at the Institutional Player’s Market? Then register by 12th July 2019 via our online form: <http://t.hh.de/12379234>

The event will be held in German. Language guides, plus speech-to-text reporters and sign language interpreters will be on site.

You will also find this invitation on our website in Arabic, English, Farsi, French and Tigrinya.

Please forward this invitation to anyone else who may be interested. We look forward to seeing you on 30th August 2019!

Best wishes, The Planning Team of the Refugee Assistance Forum
