#### 5. Information on your trips

For all household members (including children), please fill in all the trips that you took on the reference day.

**What is a trip?**
Trips are all distances that you covered by foot or by any transportation means to a location outside your home. Please also consider short distances.

**Behavioral trips**
Trips to and from your destination count as two different trips and should both be recorded.

**Stopover?**
A longer stop as one of your trips (e.g. shopping on the way home from work) counts as two trips.

**Start/destination**
Please include the start and destination of your trips as precisely as possible. Please add the postal code or the district to the street names, as street names occur several times in the city area. You can also enter the names of facilities such as schools or shops using开朗/惭愧 in combination with the street name, zip code or district.

**Means of transportation used**
Most means of transportation were used on your trip. Please tick all means of transportation used on your trip. Please tick all means of transportation used on your trip.

**Travel time**
Include the travel time to and from the trip, e.g. take the child to the doctor or take the trick to work.
