

Application GT 2: Application for school lunch subsidy allowance at primary school

(all-day childcare/ all-day school [GBS/GTS])

(only to be completed if **no** form for childcare has been filled out)

Please hand in this application to the school office.

For our child

Surname: _____

First name: _____

Date of birth: _____ Class: _____

Street address: _____

Post code and city: _____ Telephone No. (for any queries): _____

I/We request a subsidy allowance for school lunches.

The percentage of subsidy towards the cost of midday meals depends on the size of the family, its earning capacity and the number of younger siblings in fee-based care.

I am/We are willing to submit the necessary information pursuant to section 13 of the German Fees and Duties Act.

I am/ We are **not** requesting a subsidy on the basis of our family income, only on the basis of the regulations for younger siblings receiving childcare (no further proof and information regarding income is required).

I am/ We are applying for subsidisation on the basis of our family income. My/Our monthly income calculated according to the "calculating average family income" form amounts to:

_____ Euros.

Copies of the relevant documentation are attached (the "calculating average family income" form, the annual tax on income statement from the employer, the notice of income tax for self-employed people, confirmation of any benefits received from the German JobCentre).

The following people belong to our family (here the children living in a household - including the child for whom the application is being made - and their **parents** as well as any further children living in other places for whom support is paid are counted as family.):

Name	Date of birth	Children are cared for on a fee-paying basis* (all-day care, all-day school, crèche facility, children's daycare centre, youth daycare centre)

* Copies of the relevant proof of childcare is attached.

Note:

I am/We are aware that any false statements of income and family circumstances could constitute the offence of criminal fraud and may lead to fees being claimed back retrospectively. I am/We are aware that my/our details may be subject to verification at any time.

If the income given above changes by more than 15% in the course of the school year or a younger sibling is enrolled in, or taken out of, fee-paying childcare, you may apply for a re-calculation of the subsidy.

This information is purely for the calculation of the charge for midday meals and they are a condition for a subsidy. The processing of which is based on sections 98 (1) and 13 of the Hamburg Schools Law combined with section 1(2) of the schools data protection directive. Communication of the level of the subsidy for midday meals to the operator of the school canteen takes place on the basis of sections 14 (1) clause 1 No. 1 and 13 (1) of the Hamburg data protection act. The school office provides information about the stored data. All requests to revise any data are also accepted there.

I/We, the undersigned, confirm the accuracy and completeness of the information we have provided here.

Hamburg, the

(Date, signature of the parent or guardian)
