

Information concerning the loan granted in accordance with Section 22 Para. 6 German Social Security Code Vol. II ("SGB II")

You have been approved for a loan for a rent deposit and/or for the acquisition of co-operative shares. The loan confirmation states that the loan will be transferred directly to the landlord.

The loan will be repaid by making a deduction of 10% from your necessary subsistence amount. This is set out in a separate offsetting notice.

In certain cases, you are obliged to repay the loan immediately and in full. The details of this and the specific procedure are set out the "Loan Terms and Conditions" ("Darlehensbedingungen"). These Loan Terms and Conditions are an integral part of the loan confirmation.
