Advice, permits and applications pursuant to the Prostitute Protection Act

The Prostitute Protection Act (ProstSchG)

As of 1 July 2017, all persons employed as sex workers (male, female and transgender prostitutes) must be registered.

Sex workers (male, female and transgender prostitutes) are obligated to obtain a confirmation of registration, so that they can work as prostitutes. It is also possible to obtain an alias certificate, bearing your self-chosen pseudonym (e.g. work name) during registration.

The Altona District Office in Hamburg is responsible for registering prostitutes pursuant to the Prostitute Protection Act (ProstSchG).

The **FA-BEA* Pro** department is responsible for three tasks: Providing prostitutes with information and advice, granting licences for prostitution work (premises, practice, agencies and vehicles in Hamburg), and monitoring and controlling all areas.

We can help you with any queries about sex work (prostitution).
